Honorable John T. Teller  
 House of Representatives  
 Washington, D. C.

Dear John:

I appreciate your note of 11 June introducing Mr. [redacted], with whom I had a very pleasant talk the other day. I had, of course, known members of his family years ago in Auburn.

As I believe I may have mentioned to you, we don't have much in the way of temporary summer employment opportunities because of the time-consuming security check which is necessary for our employees. As a consequence, we were unable to place him here but did assist him in checking several other possibilities. I had not heard as yet how he came out, but I am hoping for the best.

Faithfully,

Allen W. Dulles  
 Director
